Achievement and Standards

Inclusion

To increase opportunities for all
pupils to access learning in the
wider community.

Achievement and Standards

ST GILES SCHOOL DEVELOPMENT PLAN

2018-2019

Be the best you can be

Rationale – To enable us to meet the educational, health and care needs of children with very complex needs at St Giles and in the wider community.

Leadership expectation—This plan will be achieved through distributed leadership with named staff being accountable for detailed action plans and impact reports.

**Personal development , behaviour
and welfare**

To develop and embed school
wide practice to support pupil and
staff mental health and wellbeing

Resources

Leadership and Management

To strengthen leadership skills so
that teachers can develop their
teams to support learning
effectively.

Resources

Leadership and Management

To extend opportunities for CPD
so that all staff are challenged to
be the best they can be
