'Be the best you can be'

A Message from the Chair of Governors

Dear applicant,

Thank you for enquiring about the position of Headteacher at St Giles' School.

At St Giles we are passionate about learning. Our school community includes and values everyone, working together in a supportive, caring and professional way. All school staff are trained to work with our special pupils, who have a wide range of challenges including learning difficulties, physical disabilities and complex medical needs.

Our children flourish in our highly specialist environment. Indeed, we are proud to have been awarded the Croydon Special School Award 2018 for our commitment to high quality education and supporting children with complex needs throughout the Borough.

We have an engaged governing body, working closely with the Head to create the best possible environment for learning. Friends of St Giles, our brilliant parent body, are the social heartbeat of the school and are adept at organising fundraising events.

I strongly believe that good schools are the heart and soul of good communities. We all want the best for our children – and St Giles turns that aspiration into a reality.

Our vision at St Giles is 'Be the best you can be!' We are now looking for a Headteacher who will lead the school forward to advance this vision and to continue to inspire and motivate the whole school community.

The appointed Headteacher will be joining a dedicated and enthusiastic team of staff. We invite applicants to explain how they would complement and further enhance the existing team.

I hope you enjoy browsing our website and finding out more about our facilities, provision and achievements. Please contact Lisa Negus for further information or to arrange a school visit.

Yours faithfully

Callton Young
Chair of Governors
